# BIRTHDAY CELEBRATIONS

The Perfect Celebration Venue

"I have visited a few times and have never been disappointed, amazing service, food and shad. Visited again for a friend's special birthday and what can I say...AMAZING! We were a large group of people and had a FAWLESS experience. Perfect service not one error, and the best part! Flowing drinks all evening. I even came back the following day for an amazing roast dinner!

Thank you The Deck Team!!"  
Vicky Whiteman

YOU DECIDE  
WE  
DELIVER

"I was nervous to plan a surprise 30th for my sister. It was the wrong time of year to have an outside celebration but she was desperate to be by the water. I found out The Deck has a heated, covered outdoor space which held 30 of us very comfortably. It was PERFECT. Thank you so much!"  
Laura Ormston

## MEMORIES YOU CAN CHERISH

'No one wants to think about planning their fathers wake. I approached the Deck to see if it was something they could do. I only had to give them a few details and they sorted it all for me. They were patient when it took me time getting back to them and the afternoon went so smoothly. Thank you so much to all the team'
